

NATIONAL PUBLIC LANDS DAY

Saturday, September 30, 2017, 1-5pm

Blair Preserve

Athens Conservancy and The Department of Environmental & Plant Biology will coordinate the removal of invasive plant species from Blair Preserve, adjacent to Strouds Run State Park. We provide the education and support and need your added enthusiasm and muscle. Please join us in helping to protect our native species!

National Public Lands Day is the largest nationwide volunteer event to protect our public lands. This event is held in partnership with [Rural Action](#) (Appalachian Ohio National Public Lands Day).
